- You will have a dedicated account manager that understands your business and can work with you to develop programs that increase sales, thank customers and reward associates any time of the year and especially at the holidays.
- We can supply you with your past ship to lists from any time period so you can make quick and easy decisions.
- We can ship your gifts 3rd party using FedEx or UPS account.
- We can make your gift special by adding your logo or sales message to tins, boxes and ribbons on our most popular gifts.
- If individual gifting is out of the budget, our Bakery Samplers or Bow Gift Boxes can be shared by many. A great way to acknowledge customers at a lower cost.
- We can set up a credit account for you making ordering quick and easy!
- Cheryl's is Kosher certified! Most of the gifts and dessert collections are kosher. Look for the kosher symbols online, in our catalog and on our products.
- If your occasion or event requires a gift designed especially for your company, we are the experts! We will work within your budget, themes and include any of your cards or tokens. Our turnaround time is fastest in the business.
- Our corporate birthday, anniversary, incentive, employee and new customer programs are very successful and easy for you to administer. Simply send us your weekly, monthly quarterly ship lists and we take care of the rest.
